

As Cocaine Anonymous clearly states, our primary purpose is to carry the message to the addict who still suffers. All C.A. events are open to anyone interested in the Twelve Step Program of recovery, so please come participate in our event so we can continue to grow in our fellowship. Please support the Ohio Area Convention by registering. Registering is very important in helping to carry the message and to continue in being self-supporting. You must be registered to attend workshops, main events and use of the hospitality room. The money that is collected from registration is used to pay for all convention related expenses. We believe once participants understand that fees from registration make the event possible and are used for the planning of present and future conventions, the reason then for registration should be clear. It is the support of each participants' registration or donation that helps our convention to be a success and allow us to carry the message to the newcomer.
